Verse

Did you ever wan-na hang your head and cry,
Let me tell you the an-swer's right at hand.

'Cause you had trou-ble and no one told you why,
Like a wind that's sweep-ing o-ver ev-'ry land.

You bet-ter live be-fore you die,
You bet-ter hear that ur-gent call,

Ain't no an-swer in the sky, Man-y Deep in-side of you and me Wait-ing there to set us free.

Yeah that day is draw-ing nigh Shout Hal-le-lu - jah to the sky,
Then we'll know the rea-son why why By or we'll By By And die We got-ta find the rea-son why you and I.
