FUNKY IN THE COUNTRY

Additional Lyrics

2. I'm wadin' in the water, playin' by the creek side
Tryin' to catch a crawdad, smoke a little grapevine
I wonder where my dog went, supper's comin' Sundown
Love it out here where it's funky in the country

2nd
ridge.

Can't take the hustle in the city
Too fast, I gotta get a slow down
Out where it's peaceful and it's pretty
Suits me just fine

Chop a little stove wood, stack it on the wood pile
Baitin' up a trout line, Try to catch a bullhead
Jumpin' out the hay loft, landin' on the haystack
It blows my mind

1st
ridge.

The sun is sinkin' on the hillside
They've horseshoe pitchin' in the back yard
We'll maybe sip a little moon shine
White lightning time

Honey love is calling, "supper's on the table"
Later on the front porch, rockin' in the glider
We agree that we love it in the country
It's lovely, lovin' in the country

Repeat 1st Bridge and 1st Verse to end.
