New Words and New Music Arrangement by
Bob Gibson
(Based on a Traditional Spiritual)

Slowly

Moth-er-less Chil-dren have a hard time — when their
moth-er is gone, (when your moth-er is gone) moth-er-less chil-dren have a
hard time — when their moth-er is gone, (when your moth-er is gone)
Moth-er-less chil-dren have a hard time — All that weep-in',
all that cry-in'. Moth-er-less Chil-dren have a hard time — when their
moth-er is gone. (when your moth-er is gone) Hush lit-tle ba-by, now
don't you cry — when your moth-er is gone, (when your moth-er is gone)
Hush lit-tle ba-by, now don't you cry — when your
moth-er is gone, (when your moth-er is gone) Hush lit-tle ba-by, now
don't you cry, — See your moth-er by and by. —
Hush lit-tle ba-by, now don't you cry — 'Cause your
moth-er is gone. (When your moth-er is gone)
