2. Now in come the animals two by two,

A big hippopotamus, a little kangaroo.

In come the animals three by three

Two big cats and a bumble-bee.

In come the animals four by four,

Two through the window and two through the door.

In come the animals five by five

Four little sparrows and the red-bird's wife.

3. In come the animals six by six,

The elephant laughed at the monkey's tricks.

In come the animals seven by seven,

Four from the home and the rest from heaven.

In come the animals eight by eight,

Some were on time and the others were late.

In come the animals nine by nine,

Some was a-shoutin' and some was a-cryin'.

(Chorus)

(Last 1/2 verse) 4. In come the animals ten by ten,

Five black roosters and five black hens.

And Noah says, "Go shut that door

The rain started droppin' and we can't take more."
