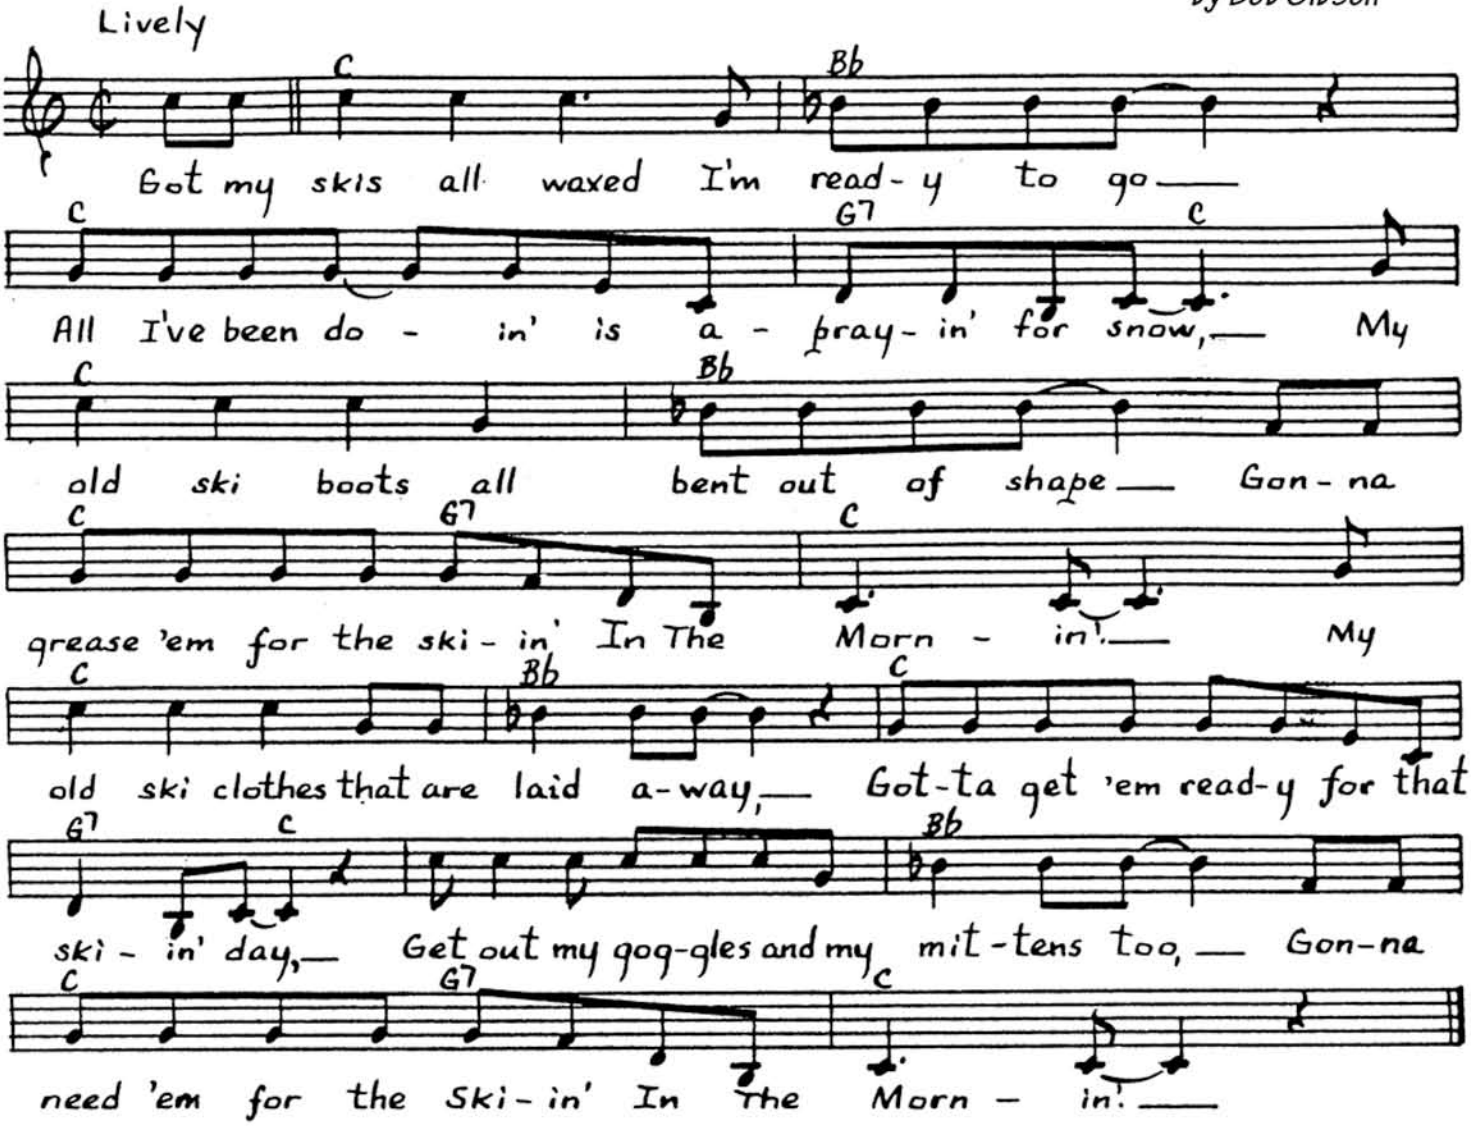
SKIIN' IN THE MORNIN'

by Bob Gibson



ADDITIONAL LYRICS

When I'm way up on a mountain high,
On a snow covered peak way up in the sky,
I schuss 'em a little and I vedle for a while
And I run 'em down the mountain in the mornin'.
There'll be skiers there from everywhere,
The sun'll be shining and the day'll be fair,
Get on the tow and we'll ride up there,
Then we'll run 'em down the mountain in the mornin'.
