stel-la's Got A New Dress, don't you know,

Ev-'ry-where she goes the peo-ple say, Who's that walk-ing
Ev-'ry-bod-y turns to watch her go, All dressed up she

down the street, Pret-ty lit-tle girl, so dain-ty and pe-tite, with a
looks so sweet, Pret-ty new shoes on pret-ty lit-tle feet. The

brand new way to wear her hair, And a brand new, bright new
ver-y first time she passed my way, stel-la stole my

dress to wear, Who could i-mag-ine a sight so fair as
heart a-way, Who could for-get that love-ly day, When

stel-la in her pret-ty new dress.
stel-la got her pret-ty new dress.
